**67" x 85.6"**

## **10x10** Exhibit Booth

TigerLink is a new concept in ultra-lightweight exhibiting.

By combining the familiar ease-of-use of a retractable banner with an innovative graphic linking system, beautiful seamless graphics are easier to setup than ever before!

Modularity is at the heart of TigerLink.

Panels can be used together or alone, and graphics can even be changed in the field, **all without any tools.**

- **Just 48 pounds per ten feet!**
- **Fast, tool-free setup**
- **Unlimited Linking – even 100+ units**
- **2 Case Options**
- **3 Monitor Options**
- **1 Shelf Option**
